

HSRV 221
Special Topics in Human Services (Dept. approval 6/13/06)

Students will

1. Demonstrate special knowledge and skills in selected contemporary topics of importance in the Human Service field in order to enhance effectiveness as student and worker.
2. Develop an idea for a project, gather data or information appropriate to the Chosen project topic, design a method for communicating what has been learned to other seminar participants and faculty member, deliver the 'project' to the audience in the designed method, and evaluate the effectiveness of the project and of its communication to the group.
3. Strengthen their competency in reading, writing, oral communication, and critical thinking in order to increase success in this and other courses and in the workplace.
