

HSRV 241**Principles of Ethical Practice**

1. Students will identify and demonstrate appropriate and ethical behavior regarding ethical standards of practice, accountability, confidentiality, record keeping, individual differences, counselor/client boundaries, non-discriminating practices, and multi-cultural differences.
2. Students will explore case studies to demonstrate their ability to utilize an ethical decision-making model to resolve ethical issues.
3. Students will develop a basic understanding of the laws governing the practice of addiction treatment.
4. Students will demonstrate basic knowledge of the consequences of violating the Code of Ethics.
